Dear Potential Sponsor,

The Plant City Dolphins Youth Football and Cheer League was established in 1975. Over the past 49 years, the organization has grown into one of the most successful and respected youth tackle football and cheerleading leagues on the west coast of Florida. We take pride in teaching our youth the value of teamwork, discipline, perseverance, academic achievement and community engagement.

We are gearing up for an exciting season. As we strive to enhance the overall experience of our young athletes, we are seeking support from local businesses like yours to help us achieve our goals. Your sponsorship would not only contribute to the success of our organization but also showcase your commitment to the well being and development of our community's youth.

We pride ourselves on the fact that when a family joins our organization, they are not just joining a team, they are gaining a second family. It's a bond that goes beyond the field, creating a sense of belonging and support that lasts a lifetime.

We offer various sponsorship levels to accommodate different budgets and marketing objectives. Enclosed is a list of detailed sponsorship packages that outlines the benefits of each level. We are also open to any suggestions you may have regarding making a sponsorship work for both of us.

We appreciate your time and consideration in supporting the Plant City Dolphin Youth Football and Cheer Organization. Thank you for your support and we look forward to the possibility of partnering with your esteemed company.

Sincerely,  
Plant City Dolphins Youth Football & Cheer
